

Monroe Creek Restoration (Weiser River CD)

Program	Watershed Restoration		
Lead Implementer	Weiser River Conservation District		
Funders	Idaho Department of Environmental Quality, Idaho Soil and Water Conservation Commission, Private Party, U.S. Natural Resources Conservation Service, Weiser River Conservation District		
Project Primary Contact	Bill Lillibridge (bill.lillibridge@swc.idaho.gov)		
Project Stage	Deferred	Duration	2020 - 2021
Estimated Total Cost	\$332,000.00	Secured Funding	\$7,000.00
No Funding Source Identified Yet	\$0.00	Targeted Funding	\$325,000.00

Natural Resource Projects & Practices ➤ Watershed Restoration

Monroe Creek is listed as a stream of concern by EPA. Due to a number of trees dying, the Creek is now changing its course. This is causing land to be damaged on local farm and ranches. Monroe Creek is approximately 25 miles long.

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
